

PLEASE PASS THIS ON TO YOUR EARLY INTERVENTIONISTS, SLPs, SPECIAL EDUCATORS, AND TEACHERS, WHO WORK WITH CHILDREN WITH HEARING LOSS (0-8 YEARS)!

Fall 2014 online workshops

1. Teaching Children with Hearing Loss to Listen and Talk - the BASICS

Wednesday, **October 1, 2014**; 10 AM - 5 PM ET; Level: Introductory; Registration Fee: \$79

***Learn** the basic principles, concepts, and techniques of Auditory-Verbal Therapy, the science of teaching children with hearing loss to listen and talk. (Birth thru' Early Elementary)

***Learn** AV techniques that you can use to enhance the spoken language part of your program (even when your program is not auditory-verbal, i.e., not a listening-only, spoken language development program)

***Learn** practical strategies that you can put to use from day one!

***Learn** by watching and analyzing videoclips of actual therapy performed by an expert with over 32 years of experience!

***Earn** 0.6 ASHA CEUs (Introductory Level, Professional Area); or use the 6 professional development hours to satisfy your other continuing education requirements. All our workshops are also approved for LSLs ceu's.

Whether you work with Infants and Toddlers (0-3), Pre-Schoolers (3-5), or Early Elementary (5-8);

and whether you work in a therapy, classroom or home-visit setting, you will find the basic concepts and techniques taught in this workshop applicable in your day-to-day work.
